There is not a single Scorpions song on that list. Maybe you meant UFO of which there are only two songs.

Oh, what a surprise!  
Long in the Tooth, again, criticizing Michael Schenker!!!  
Believe me, man, what you say will never change the 40 years of  
work/career this awesome guitar player has.  
One of the greatest guitar heroes of all times!  
Hope to see him live again in 2010 or 2011, there´s a rumour he´ll  
come back to South America once more... :D
