Rating: 8.8 / 10

As a fan of Michael Schenker since his early days with UFO and MSG (Michael Schenker Group) back in the early Eighties, I was stoked to pick this one up. I was one of the many fans that were captivated by this man's sheer talent; he's a brilliant guitarist who inspired a generation of players. Over the years, I've heard a few other things he's done, but this is the first time in a long while that I've actually listened to a full CD worth of his tunes.

Let me tell you, *Temple Of Rock*, is quite spectacular. With lots of special guest appearance (Carmine Appice, Leslie West and Don Airey to name just a few), the musicianship on this disc is seriously ridiculous. The super-catchy, hard rock songs are accentuated by some unbelievable shredding that will just leave you astounded.

The thing I like the best about this disc though, is that it's not just a guitar shred disc. While there is indeed a lot of that, there are also some great tunes at heart. This is pure, unadulterated talent from one of the best guitarists in the business. *Temple Of Rock* is well worth picking up when it hits the stores.

Track Listing:

01. Intro (Speech performed by William Shatner)
02. How Long
03. Fallen Angel
04. Hanging On
05. The End Of An Era

- 06. Miss Claustrophobia
