[Michael Schenker – Temple of Rock Live in Europe \(Inakustik\)](#)

By

[Upchuck Undergrind](#)

– February 18, 2013 Posted in: [Reviews](#)

Following up on his vibrant and rockin' "Temple of Rock" studio album, ex-Scorpion Michael Schenker takes his energy, melodies and badass riff-making to the stage for a live performance that outdoes in many ways the studio album. There are more tunes, for one, if you want to analyze from a strictly quantitative point of view. But, qualitatively speaking, Schenker's riffage is thick and crunchy, bright with melody but hard and heavy. It's classic but hardly outmoded. The concentration of hard rock/classic metal awesomeness is pretty potent, with a shit-ton of tracks PLUS bonus tracks from a second concert. If you like to listen, TEMPLE OF ROCK LIVE is available as a double-CD set full of catchy hooks and impassioned rock-metal. If you like to watch [😊], then there's the DVD that has the tunage of the CD, but, IN ADDITION, you get behind-the-scenes pre-show footage in which to wallow. Rock on. \00/

DVD specs: Region 0, widescreen, 16:9, 135 min.
