Sorry for the late post, but I knew it was going to be a busy day with two interviews and a doctor's appointment. Here's a glance at today's DVD releases. Check them out, then adjust your rental queues accordingly:

Andy Kaufman: My Breakfast with Blassie. The low-budget response to *My Dinner with Andre* showcases the comedian's visit with professional wrestler **Freddie Blassie**. This edition includes bonus footage -- I can't wait to see it!
