King Street Sounds

House Music Master, Louie Vega turns out this blazin hot, soulful house mix. CD1, recorded live at Cafe Mambo, Ibiza, includes gems like Kerri Chandler's "Bar A Thym" and Dennis Ferrer's "Most Precious Love". CD2 offers us a classic Sound Factory Bar style mix with blasts-from-the-past like "Show Me" by Urban Soul and "Souffles H" by Mondo Grosso. This is a beautiful, timeless mix that is sure to please. - Shawn Christopher DJ Times
