Mix the Vibe: For the Love of King Street

Louie Vega

King Street Sounds

Vega turns out a blazing-hot, soulful mix. Recorded live at Ibiza's Cafe Mambo, CD1 includes gems like Kerri Chandler's "Bar A Thym" and Dennis Ferrer's "Most Precious Love." Then CD2 offers us a classic Sound Factory Bar-style mix with blasts from the past like Urban Soul's "Show Me" and Mondo Grosso's "Souffles H." A beautiful, timeless mix.
