Sunshine Jones

'Seven Tracks In Seven Days'

Nite Grooves/ King Street Sounds

5 out of 5

Formerly of Dubtribe Soundsystem comes Sunshine Jones' lusciously crafted long player for New York's seminal King Street Sounds. Ten equally stunning productions, of which different interpretations are also provided, include the sunshine perfection of 'We Are One' along with tougher rhythms such as 'I Believe' complimenting the experience. Musically diverse and always soulfully satisfying this has both danceable beats and lyrical dynamite in the form of 'I Surrender' for your pleasure.
