

### **ANANDA PROJECT "Into the sunshine ep" (Nite Grooves)**

The forthcoming Ananda Project full album "Fire flower" is going to be out soon, in the meantime Nite Grooves releases this hot EP from Ananda Project. The package includes two strong remixes of "Into the sunrise" re-worked by Ricanstruction master Frankie Feliciano, as well as two hot tracks from the upcoming album, the sweet, loungey and jazzy "Let love fly" featuring Heater Johnson on vocals and the cool funky influenced "Where the music takes you" with Terrance Parker on vocals. (Franco Martinelli)
