MVD Entertainment Group has forged a partnership with Lost Empire, a global distribution company specializing in multimedia products, to distribute the entire Lost Empire catalog. They're starting with four horror films, making them available on all major retail and digital platforms.

The quartet is comprised of the following films:

Eyes of the Woods

The Wicker demon has awakened, and for one unlucky group of kids a roadtrip is about to turn very wrong. They find themselves separated, alone and terrified, as they battle a ruthless, flesh-eating creature. Who among them will survive, trapped within the Eyes of the Woods?

Porn Shoot Massacre Unrated Edition

A group of sexy women who think they are reporting to the set of a porn film get the shock of their lives when they discover they've been tricked into appearing in a horror movie -- where they will be the real-life victims.

Unsolved

Fifteen years after an on-campus murder, students re-open the case for a class and uncover a truth more horrifying and closer to home than they ever imagined.

Fear the Forest

Ten years ago there was a "ghost-like something" seen killing people in the woods as people
