CD & Concert: Mama Doni

The confluence of Thanksgiving and Hanukkah is a great opportunity to discover [Mama Doni's](#) *The Acoustic Jewish Holiday Collection*. I was hooked from the first well-crafted guitar chords of "Chanukah Oh Chanukah / Ma'oz Tzur." The talking blues of "Honey This Ain't Money" (about trying to spend gelt) embodies the mix of traditional and modern that Mama Doni does so well. Imagine traditional Jewish music through the aural lens of Mumford & Sons.

Mama Doni and the Mama Doni Band will perform "Chanukah Fever," Nov. 29 at [Congregation Beth Or](#) in Maple Glen, PA and Dec. 2 at Philly's [Gershman Y](#).
