Blade, *Doomsday For The Deceiver*, won the second-generation thrashmasters a fair amount of acclaim, the band's subsequent major label output was largely overlooked at the time.

All three feature vocalist Eric A.K. along with original axemen Edward Carlson and Michael Gilbert, as well as big-beat drummer Kelly David Smith.

Cuatro, Flotsam & Jetsam's fourth album, will be reissued on May 13, 2008 and will include a handful of bonus tracks such as the songs "Date For Hate" and the industrial mix of "Wading Through The Darkness." *When The Storm Comes Down* and
