SINISTER/Hate & Bastard Saints (Metal Mind Productions) This is a re-release of this band's 3rd album and an EP, plus 4 bonus live tracks. Sinister play now frills death metal that hits fast and hard and pulls no punches. This is straight forward brutal death metal the way it was meant to be played. No jump metal or clean vocals this is just in your face brutality. It is awesome that you also get an EP and 4 live tracks. This is easily a must have.
