COMMENTS & REVIEWS

Marc [Published on: 17 Sep 2007](#)

Walk on Water offers some very symphonic music with operatic singing from **Agneiszka Swita**. She has a powerfull voice that can change from track to track. On the first piece she reminds me of **Bonnie Tyler** but on many instances **Kate Bush** does come to mind (prog musicians sure seem to like to work with Kate Bush soundalikes).

The music is mostly keyboards-voice based, even though the guitar-bass-drums background is very tastefull and sometimes in evidence.

Walk on Water is a classy affair, very well performed and produced. Think perhaps of **Enya** gone Goth if you want to have an idea of what to expect. If you are a fan of **Clive Nolan**'s softer side, you wont be disappointed.
