COMMENTS & REVIEWS

Marc Published on: 7 Feb 2008

In the nineties **Rick Wakeman** started a parallel career as a relaxation music writer and performer.

The music on *Aspirant Sunshadows* is light years away from what Wakeman is famous for. Only an accute listener will detect references to his work with **Yes** or his most famous solo projects. Still, **Rick Wakeman** is a very good composer and a brilliant performer. This certainly reflects on the quality of the music on this CD.

For the Wakeman completist with a large palette of musical taste, *Aspirant Sunshadows* could certainly interest you. Also for those into relaxation music, this CD could be to your liking.
