

MIG MUSIC / MVD - MVD teams up with Made In Germany for a new batch of **Live At Rockpalast** DVD and CD releases, including a 76 minute DVD title from blues rock guitar hero **Roy Buchanan** filmed and recorded on February 24, 1985. Backed by a solid band, Roy covers a range of blues and rock vocals and instrumentals of classics like "Green Onions", "Walk Don't Run", "Peter Gunn" and even a pair of Hendrix covers of "Foxy Lady" and "Hey Joe". Also out on DVD and CD on MIG / MVD is **Ian Hunter Live At Rockpalast Featuring Mick Ronson**. Ronson, David Bowie's guitarist and Mott The Hoople hero **Ian Hunter** made a formidable pair and this *Live At Rockpalast* captures a fine performance from 1980. Also out on DVD and CD is **John Cale & Band Live At Rockpalast**. Caught live on October 14, 1984, Cale's release is actually a 161 minute double DVD set with one disc from 1984 and one other preserving a solo Cale show from 1983. The double DVD set is complimented by a simultaneously released companion double Lp set and a double CD set. www.mvdb2b.com
