March 22 DVD roundup

Posted on 03/21/2011 by [Harry Thomas](#)

Alien 2 On Earth

MVD/Midnight Legacy, 85 minutes, not rated

DVD: \$19.95

BD: \$29.95

A group of cave explorers come across a rock that hosts a group of flesh-eating monsters who are looking to eat humans. Can they escape and save humanity? 30-year-old Italian horror film has never been released on video in the US. Extras: outtakes.
