Yet another British neo prog band in concert in Poland... For one reason they sure get some great shows at the Wyspianski Theater in Katowice.

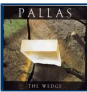

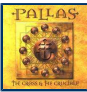

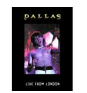

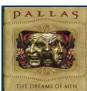

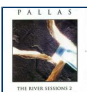

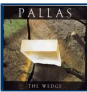

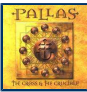

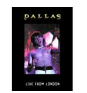

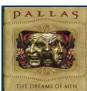

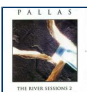

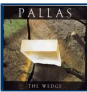

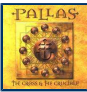

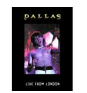

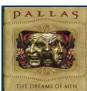

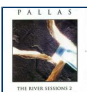

I have watched quite a few of these DVDs filmed in Poland and the product offered are very constant in quality. Great shows, well filmed and recorded in front of an enthusiastic but respectfull crowd. *Moment To Moment* by **Pallas** is no exception to that rule.

As for the show, **Pallas** give us a nice selection of some of their best tracks, and quite a few they have to offer indeed. The performances on *Moment To Moment* are all excellent and compare favorably to their 2005 DVD *Live From London* that I also had the pleasure to watch.

For fans of **Pallas** or Neo in general, *Moment To Moment*, with it's great show and interesting extras, is sure to please. Highly recommended!
