Well if you got past the fact that it was Gorgoroth, and how shit they are(since I don't listen to much Gorgoroth at all), then it's an alright song. Pretty fucking technical if you ask me. Yes it's a bit corny, but if your a power metal fan, what does corny actually mean?

🔗 **Nartherath** - 14.05.2008 at 18:15

Wow, I guess hating Gorgoroth is the new trend now.
