Veteran girl-rocker Melissa Ferrick has released her 17th album 'Still Right Here' on Mpress Records. Ferrick has been on the music scene since 1993 and her bluesy vocals and country rock style prove again to be a winning combination.

The album's title track 'Still Right Here' is a driving rock song about survival and is one of the best tracks on this album, which often speaks of love, loss and survival - all prominent parts of Ferrick's life.

Ferrick's style, while somewhat reminiscent of Melissa Etheridge, has a voice all its own and her lyrics are heartfelt and personal.

Ferrick has grown as an artist and performer since her initial discs for Atlantic Records in the early 1990's. Her style, while somewhat reminiscent of Melissa Etheridge, has a voice all its own and her lyrics are heartfelt and personal.

Matt Damon on 'Contagion' :: 'Read this, then wash your hands'

By Fred Topel | Sep 7

In Steven Soderbergh's new thriller 'Contagion,' Matt Damon plays a suburban dad whose wife may or may not be Patient Zero in a deadly, worldwide pandemic.

'Circumstance' :: to be young, rebellious and gay in Iran

By David Lamble | Sep 8

In the new lesbian-centered, Sundance award-winning Iranian family drama film 'Circumstance,' writer/director Maryam Keshavarz explores issues raised when two teenage girls discover a sexual attraction to each other.

Terry Brennan :: cultures collide in 'Heavy Metal Dance Fag'

By Lewis Whittington | Sep 7

In his hit comedy 'Heavy Metal Dance Fag,' Terry Brennan looks at what it is like to express his gayness in a testosterone-pumped and very straight South Philly gym.
