

DROPS

Lionsgate Home Entertainment will release acclaimed sci-fi thriller *Ex Machina* on Blu-ray and DVD on July 14. The film premiered at the 2015 SXSW Film Festival before its theater release by A24. Written and directed by Alex Garland (*28 Days Later*, *Dredd*), the film is about an emotionally intelligent A.I. The Blu-ray and DVD include extras like an in-depth, behind-the-scenes featurette examining the story development, the cast and characters, the production design, cinematography and location shooting in Norway, costumes and makeup and finally, visual effects along with a wrap-up. Significantly, the release also marks the first time a Blu-ray features DTS:X immersive audio technology. For further information, contact morgan_tongish@bhimpact.com.

EX MACHINA

FROM DUSK TILL DAWN

Multiplatinum selling recording artist and actress **Demi Lovato** has joined the sophomore season of **Robert Rodriguez's From Dusk Till Dawn: The Series** in a guest-starring role. Lovato joins the cast for this role as she works on a fifth studio album and after finishing a major tour in 2014 that brought in \$8.6 million over 21 dates. The critically acclaimed supernatural crime saga is set to premiere on **E! Rey** network on Aug. 25 at 9 p.m. ET. Contact [Krista Curry](mailto:KristaCurry@ferencomm.com) at KristaC@ferencomm.com for more information.

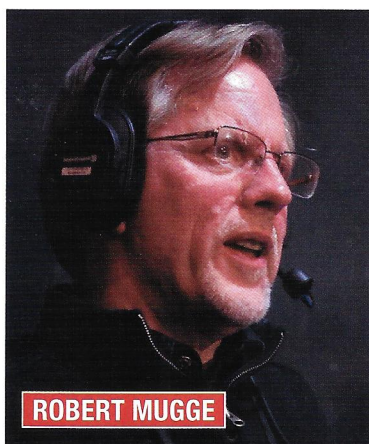

Future User frontman and bassist **Tim Commerford** recently turned footage of his spine surgery into a music video. Teaming up with **Rage Against the Machine's Tom Morello** and **Geddy Lee** and **Alex Lifeson** of **Rush**,

Future User wrote a narrative around "VooDoo" about healthcare in America, starring **Morello**, **Lee** and **Lifeson** as doctors. Watch the video at YouTube.com/watch?v=R-iRyZyia1w. Contact **Michael Moses** at Michael.Moses@BWR-PR.com.

Further details, contact **Beth Krakower** at Beth@KrakowerPolingPR.com.

Masterworks Broadway recently released the original Broadway cast recording of *An American in Paris*, produced by **Rob Fisher** and **Scott Lehrer**. The score includes the songs "I Got Rhythm," "Liza," "S Wonderful," "But Not For Me," "I'll Build a Stairway to Paradise" and orchestral music including "Concerto in F," "Second Prelude," "Second Rhapsody/Cuban Overture" and "An American in Paris."

The work was directed and choreographed by **Christopher Wheeldon** and inspired by an Oscar-winning film with music and lyrics by **George Gershwin** and **Ira Gershwin**. For

ROBERT MUGGE

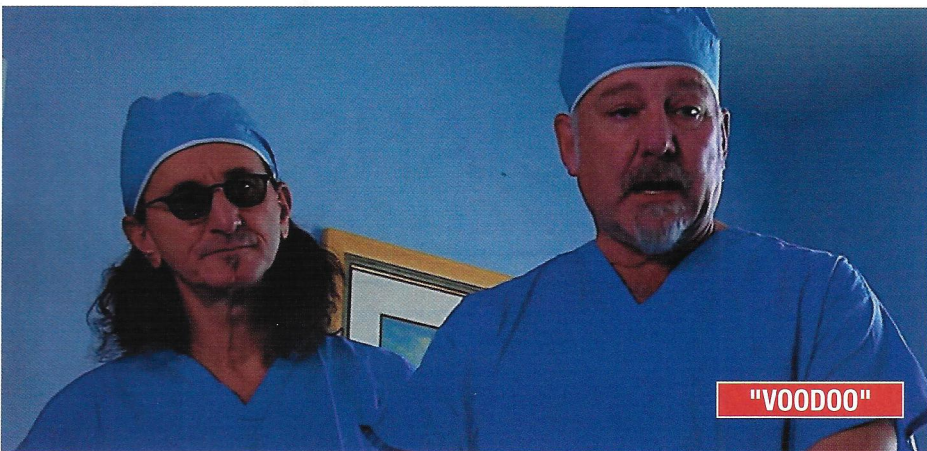

Since 1973, documentarian **Robert Mugge** has made more than 30 films on cultural, political and social issues, most with a focus on music and musicians.
