MUSIC VIDEO DISTRIBUTORS - One of the great indy distributors of DVD product, MVD always have a bunch of cool DVDs to peruse, none cooler than their own DVD tribute to Who bass great **John Entwistle**. Image has an Entwistle DVD out recently and not to be outdone. MVD's *Thunderfingers: A Tribute To The Legendary John Entwistle Of The Who* capitalizes on the ongoing fascination with both Entwistle's music and The Who. Although there's no Pete Townshend on hand there's plenty of rock legends on this DVD to wax on record about how great Entwistle was

In addition to plenty of vintage clips and recent footage of Entwistle being expertly interviewed by U.K. guitar great **Gordon Giltrap**, *Thunderfingers* also features telling interview segments by renowned Entwistle fans like **Rick Wakeman**, **Jeff 'Skunk' Baxter**, Who manager **Bill Curbishley**, **Lemmy** of Motorhead and Strawbs guitarist **Dave Lambert**. There's plenty inside stuff here to back up the claim that Entwistle was the most influential bass player of the millennium.

Also on MVD is a documentary on **Bob Dylan** entitled *1966 World Tour (The Home Movies) — Through The Camera Of Bob Dylan's Drummer Mickey Jones*. Jones joined Dylan, along with member of **The Band** for Dylan's first electric tour. Jones took some great color footage of Dylan traveling around the world, all over Europe and Australia and he backs it all up with some fascinating interviews and commentary. A nice little time capsule on just how folk-rock turned into rock, *1966 World Tour* runs 95 minutes and chronicles an important turning point in '60s rock history. www.mickeyjones.com / www.highway61ent.com

American jazz guitarist **Tal Farlow**. Farlow left the jazz world in 1958, although after this movie first came out in 1981, Farlow rediscovered his muse and resumed touring and recording up until his passing on July 25, 1998. Described as a sensitive and fitting tribute to the guitar great, *Talmage Farlow* also features bonus features with the Tal Farlow Trio and outtakes with Tal and guitar icon **Lenny Breau**. www.talfarlowfilm.com / www.musicvideodistributors

SHOUT FACTORY! - It's one thing to hear the Sadies' soundtrack for *Tales Of The Ratfink*, but to see how producer / director **Ron Mann** uses the band's music in his latest flick is another thing all together. Described as an 'animetary,' the DVD documentary about auto-obsessed **Ed "Big Daddy" Roth** features some cool animated effects and effectively combines the story of early '60s history of California teenagers racing their souped-up cars at drag strips with a repulsive and hilarious rodent / cartoon monster, also created by Roth, called Rat Fink. A fabulous DVD combining period piece history on drag racing in the post war years enhanced by the guitar rockin' surf-rock instrumentals of The Sadies, *Tales Of The Rat Fink* features the voices of an all-star lineup including **Ann-Margaret**, **Jay Leno**, **Brian Wilson** and more. The DVD also includes an interview with Ed Roth and Ron Mann, deleted scenes, theatrical trailer and a music video from surf-
