DVDs and books for music lovers

Suggestions and Hints

1. The "Under Review" series from Music Video Distributors is filled with information about famous music stars, specific albums and career periods, like the one on Nirvana's final studio album, "In Utero," as well as great previously reviewed volumes on The Rolling Stones, Small Faces, Queen and more.

MVD also features DVDs of vintage punk, new wave and metal shows, including a provocative Parental Advisory one featuring Wendy O. Williams & The Plasmatics. Many of these should be available locally, or shop online at www.mvd2b.com, where you'll see more titles than space permits here.

Ricky Flake is a former punk rocker, working musician (he sings with South Mississippi's Tribute to the Ramones, COMMANDOS; and, drums with the Deacons) and music fan who lives in Biloxi.
