Giving thanks:

I'd like to start by giving thanks to JAH for life, good energy and the gift of music for he made it all possible!

Thank you to my mother and children for the love, prayers, strength & joys. I would like to say a heart felt thank you to my brothers Stephen & Damian Marley for the large brotherly support & help in bringing 'As I Am' to the world "well needed; love uno nuff GY!".

Give thanks to my extended musical family 'The Uprising' who have been with me from ever since and also brought musical mystics to this album. Thank you to all the musicians & engineer's that took part in this new chapter from Jamaica to Miami to London, what an experience.

I would like to say thank you to my management & team Reggie Kerr, my sister Princess Booker, Stella McLaughlan, Jason Chamrelle and John Barrett for working hard and putting everything together. Nuff blessings.

Thank you Shaggy, Beenie Man, Spragga Benz and Addis Pablo for giving their support in creating my album. Thanks to Ghetto Youths International & Zojak Worldwide" for bringing the music to the people.

I want to thank my fans for showing love and supporting my shows and music continuously.

ONE PERFECT LOVE.
