New trailer, pics and DVD date for Colin Theys' creature-slasher Banshee!!!

Comments:

[Strike Back below!](#)

by: [Jake Dee](#) Jan. 18, 2010

It's been entirely too long since we had anything substantial for Colin Theys' **BANSHEE!!!**, a mixed bag of horror tropes finally hitting DVD **March 23rd** of this year. Well, how's about a new [trailer](#) and a few fresh stills to rekindle some damn excitement?!?

Written by John Doolan (SASQUATCH ASSAULT), Gregory C. Parker and [Christian](#) Pindar (WEREWOLF: THE DEVIL'S HAND), BANSHEE!!! finds:

A group of college friends on a spring break [camping](#) trip being stalked and slashed by an unknown creature with the ability to make them hallucinate through sound waves. The survivors hold up refuge in an isolated farmhouse, cut off from all [communication](#). Now, they have to come up with a plan to kill this unrelenting creature before it kills them. "Banshee!!!" takes the idea of the legendary Irish myth and spins it around into a [terrifying](#) and [unstoppable](#) [monster](#).

Hallucinating through sound waves? Good God yes!!!

Taking part in the film is Ashley Bates, David McCarthy, Kevin Shea, Kerry McGann, Iris McQuillan Grace, Troy Walcott, A. Mike Forgette, [Leo](#) Petry, Christina Santiago, Greg Natcher and Ken LaMothe.

This is Colin Theys' first feature film.
