COLIN THEYS INTERVIEW-MovieCynics.com

FOR THE PEOPLE THAT ARE UNFAMILIAR WITH BANSHEE!!!, COULD YOU GIVE US A BRIEF SYNOPSIS?

We take the Irish myth of the Banshee and re-imagine it as a very real monster behind the legend that has somehow made its way to the United States. A group of college friends on break and a handful of local residents all end up out in the woods in rural Connecticut facing off against a monster than can use sound waves to cause them to hallucinate. Fighting an enemy they don't know and don't understand, they have to find a way to kill it before it kills them all off one by one.

FROM THE TRAILER, THE FILM LOOKS LIKE IT'S FILLED WITH SOME OVER THE TOP MOMENTS. FOR THE GOREHOUNDS OUT THERE, DOES BANSHEE!!! DELIVER ON WHAT THE TRAILER PROMISES.

It's pretty action packed. We have like 18 or 19 deaths, but it's pretty spread out. We try to keep the pace up pretty much throughout the whole film so there are

In Production

"Sasquatch Assault" is heading back to the effects and titles team to get a name-lift! "Assault of the Sasquatch" is the new title for the 2010 release of the film.
