Final 24: His Final Hours DVD

MVD Entertainment

Street date 4/20/10

Documentary – 60 minutes

Description: *This compelling documentary series unlocks the hidden secrets, psychological flaws and events that result in the tragic deaths of famed notorious and the iconic. Every episode maps out the final 24 hours of a different famous person's life. The series weaves the star's back-story with events from their last day, which lays bare the threads of fate that led inextricably from childhood to the moment of death. These are no ordinary biographies. They're psychological detective stories attempting to uncover the mystery of why the celebrity died. This episode focuses on the last hours of fashion designer Gianni Versace's life. On July 15, 1997, Andrew Cunanan who was obsessed with Versace and had been carrying a seven-year grudge, shot him on his daily walk.*

This was another interesting Final 24 DVD!

I remember hearing about the tragic shooting when it happened. I was familiar with Versace's professional life, but learned more about his personal life and background. This is a tragedy that could have been prevented.

He is missed by those who love him and those who appreciate his work.

RIP Gianni Versace.
