Jamdown

Sat 17 Jul, 6pm

Taking us on a journey back to Kingston, Jamaica, Jamdown heads straight into the heart of the 1980's reggae scene, featuring **superstar reggae artist Toots Hibbert** and some of the only known early footage of **The Congos**, performing tracks from their legendary Heart Of The Congos LP.

Unavailable for over 30 years, this is a rare chance to see candid footage of Toots and follow the The Congo's from sunny Jamaica to 1980's Shepherd's Bush.

Stars of the film Toots Hibbert + The Congos will be performing after the film along with Lee Perry and Max Romeo.
(After performance now SOLD-OUT)
