

CACTUS/Live Loud & Proud (MVD Visual) 13 live tunes from this classic rock band. I have not heard much about this band, but I have heard the name and the music on this is solid 70's rock with a bogie feel. Sort of like the Ozark Mountain Daredevils at times. The sound and film parts of this are great and if you're a fan of the band this is easily a must have and I enjoyed this bands brand of rock n roll. Info:
