**HEWHOCANNOTBENAMED:  
Sunday School Massacre: CD**

As can be expected from the Dwarves' guitarist, this sounds like more recent Dwarves fare, just as demented (cf. "Duct Tape Love") with maybe more rock/glam influences than usual. It ain't even close to *Blood, Guts, and Pussy*, but if you're a fan of the (at least musically) kinder, gentler Dwarves of the past decade or so, this'll get you going nicely. -Jimmy Alvarado (MVD Audio)
