A vertical advertisement for 'The KARAOKE Channel'. At the top, the text 'The KARAOKE Channel' is displayed in a mix of white serif and bold sans-serif fonts. Below this, the text 'More Than 7,000 Karaoke Songs to Download' is centered in a white sans-serif font. An orange button with the text 'Download Now' is positioned below the text. At the bottom of the ad is a photograph of a woman with long dark hair, wearing a white tank top and blue jeans, smiling and holding a microphone as if singing.

F.A.R.T.:The Movie, DVD Review

F.A.R.T.: The Movie, DVD Review

Are you sick of the foul odor of mainstream Hollywood? Can't stand the smell of The Oscars? Then you just might find *F.A.R.T.: The Movie* to be a silent but deadly change of pace. This film sneaked out in the 1990s, and is now on DVD for the first time. It's all about...well, you should know by the title...farts.

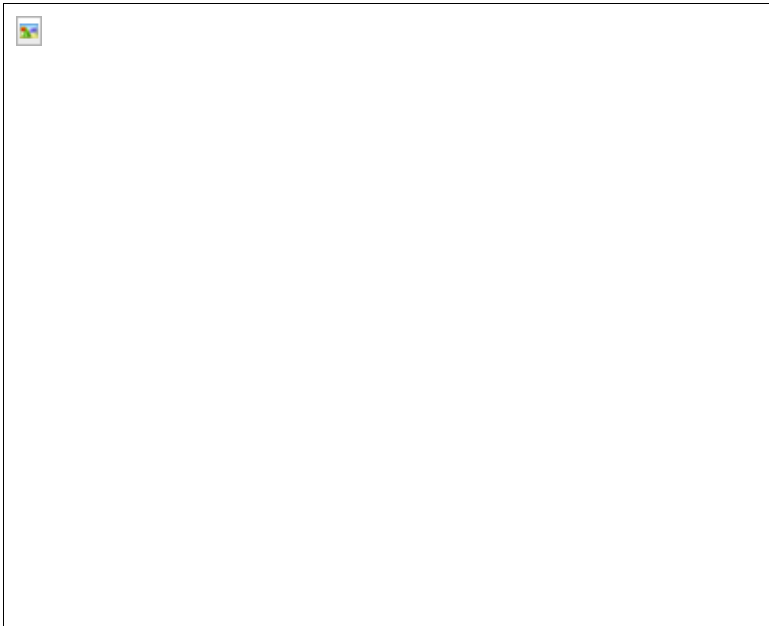

F.A.R.T: The Movie

Russell, a man who loves farting and TV, is in love with Heather, a woman who doesn't share his ripping passion. He's left alone on New Year's Eve, and while watching the TV that night, every program is about passing gas. From commercials to a "Who Cut The Cheese Game Show", flatulence is present with every flip of the channel. There's even a noxious sermon from the pulpit about the evils of the 'devil's thunder'.

Is it all a dream? Has Russell finally found a maloderous paradise? You'll just have to sit through this stinker to find out. How many ways can you say it?....Fart, fart, fart, fart.....

(If you're wondering why a music magazine is featuring a movie about passing wind, consider.... I believe that the fart could have indeed have been an early, primitive form of musical expression.)
