## Shonen Knife: The Ultimate Live DVD

Shonen Knife has been touring the world playing their unique version of pop/punk songs for more than 25 years. This lively DVD of their show at Mohawk Place in Buffalo, New York shows why they are still going strong. Combining Ramones-style riffs with some of the silliest, catchiest lyrics you've ever heard (try listening to Banana Chips and not getting the chorus stuck in your head), this powerful trio

keeps the energy level cranked up to 11: Just try not to dance along with them.
