Is It Horror? Is It Porn? No, It's Horno. Arriving to DVD Oct. 19.

SRS Cinema To Release "Horno" on DVD - Oct 19

.....Is it horror?
...Is it porn?

No, it's HORNO!

SRS Cinema and MVD Visual will release Horno for North American DVD distribution on October 19.

Ron is a porn director with a little more vision than talent, not that he has much of either. He aspires to greatness, but never quite achieves it - that is until he comes up with the idea he's sure will

launch him to infamy: "Children of the Cornhole", a horror/porno hybrid! Yes, it's a "horno" film, one whose plot is brilliant in its pornographic simplicity: a zombie outbreak is being spread by legions of the undead bent on sodomizing anybody they can. Once Ron convinces his producer that it's a profitable idea, he's on his way to Hollywood, or at least he thinks so. He gathers together his

rag-tag troupe of cast and crew in a hotel room and starts filming. But things soon go horribly wrong when life begins to imitate "art" in the worst possible way.
