O-Rama / MVD, 80 minutes, not rated

DVD retail price: \$34.95

Amazon DVD price: \$29.99

The thought-to-be-destroyed original tapes from 1988 were recently re-discovered in an attic in NJ – five hours worth of footage include interviews with Ron Asheton (the Stooges), Dennis Morgan (the MC5) and Rob Tyner (also from the MC5 in, apparently, his final interview). Deluxe Edition includes additional interviews with Scott Morgan (The Rationals), Russ Gibb (owner of Detroit's Grande Ballroom) and John Sinclair (manager of the MC5 and former head of the White Panther Party). No extras listed.
