Randy, Chuck and Bob are at it again -- the Residents' most recent DVD release, *Randy's Ghost Stories* is another must-have from the *Talking Light* project. The *Talking Light* tour is mostly a greatest-hits type of set with stories interspersed throughout. The stories are all projected on a set of screens behind the Residents playing a live musical backing -- each show has different stories from the main set -- usually about three out of the set of eight total stories. (For example, mine had "Talking Light", "The Ghost Snake" and "The Unseen Sister" -- I think the first and last of these might be at every show.)

Storytelling has always been one of the Residents' many strong suits -- it seems the only time a story-based Residents project falls flat (like *The Voice of Midnight*), it's due to delivery -- and usually then on the part of the
