[DVD Sneak Peek – Julian Assange: A Modern Day Hero?](#)

Inside The World Of WikiLeaks

When the web site Wikileaks first started it was greeted by yawns and indifference. The web was already awash with sites dedicated to conspiracies and whistle blowing. What made Wikileaks any different?

We now know the answer to that question. Wikileaks was different, they opted to go where other sites feared to tread. What is less well known is the involvement of rather staid traditional media such as The New York Times, The Guardian (UK), and Der Spiegel (Germany).

The DVD Julian Assange: A Modern Day Hero? Is not slated to hit the streets until May/3, I was however permitted a peek at the documentary. Before you ask, NO I am not connected with Wikileaks in any shape or form. To the best of my knowledge I have never had any connection with anyone even remotely connected with the organization.

Does this documentary answer all the questions about Julian Assange and wikileaks? No it does not! Is it worth watching? Yes it is!

Some of the footage has been seen before, but much of it, interviews with Julian Assange and others have never been seen before.

I am pretty certain that the version of the DVD is in its final retail package. Directing credits are given to A. N. Other, and the producer is a gentleman by the name of John Smith.

I'll save you the effort in case you do not get the joke. These are fictitious names!

Will this DVD cause waves? YES it will!

I will have more on this project when it gets closer to hitting the store shelves. But I will say this, it is 3 hours of material well worth spending the time to watch.

Wikileaks is great. Julian Assange is a hero for exposing corruption at the highest level.

After Assange was uncovered, I asserted Julian may go in history as a yin/yang hero. Hmm.

Hot Topics, In-Depth:

While BloggerNews.net is known to provide up to the minute information on a wide variety of topics, at times a more in-depth analysis of a topic that is being written about by our writers is warranted. This section of BNN provides just that – an area of the site that looks deeper into a topic, delves into the actual facts behind it, and provides more than just a summary overview of what is happening right here and now.

From something as mundane as an overview of how credit scores work, to life and death topics such as mesothelioma, we are committed to creating a growing library of information for our readers. Click below to review the topics covered so far, and check back soon as new ones are to be added regularly!
