EXCLUSIVE CLIP AND PHOTOS: "MY STEPDAD'S A FREAKIN' VAMPIRE!"

Posted by Michael Gingold | Nov 21, 2011

There have already been a few movies about evil stepfathers, and now comes one in which the guy turns out to be a creature of the night. Read on for an exclusive clip and pics from MY STEPDAD'S A FREAKIN' VAMPIRE!, which hits DVD this week.

Level 33 Entertainment releases the disc tomorrow, with composer commentary, deleted scenes and bloopers. Directed by David Matheny from a script by Kyle Mangrum, it's about a high-school student who discovers that his new stepfather is, yep, a freakin' vampire out to raise an army of fellow undead. Check out the movie's [official website](#) and [Facebook page](#).
