

Sometimes the undead can be real jerks, like the titular killer in *Zombie A-Hole* (2012). The zombie Pollux (**Brandon Salkil**) isn't just an indiscriminate butcher; he only has a taste for the flesh of foxy female twins. But hot on his trail is Frank (**Josh Eal**) and Mercy (**Jessica Cook**), siblings who want revenge for their sister's death, and Castor (**Brandon Salkil**) an identical twin with a secret.

This horror flick features plenty of bloody boobage and grindhouse gash from its fearless female stars. So check out the Zom-B cups on **Melissa Blair**, and then state your hunger for full frontal thanks to **Elizabeth Aweiker**, **Harper St. Clare**, and **Fuckin' Betty Fhite**. They'll resurrect your erection!
