Zombie A-Hole

Posted on [August 9, 2012](#) by [David Andreas](#)

★☆☆☆☆ – (2012) – Separate parties hunt the same zombie who often has his violent way with the innocent. Scenes about nothing drag while those of interest (gore & nudity) came and go with the wind. Good title, but the real A-Hole is the one who believes this backyard effort is worth the time.

THIS ENTRY WAS POSTED IN [ZOMBIE](#). BOOKMARK THE [PERMALINK](#).
