

# Director Dustin Mills Gets His Hands Dirty With 'Zombie A-Hole' Teaser Trailer (NSFW)

Written By: Rondal | February 28, 2012 | Posted In: News

You might remember the name **Dustin Mills** from our review of his debut film last year, **Puppet Monster Massacre**. In fact, we even scored our first ever box art quote when the film hit store shelves on DVD!

Now Mills is looking to unleash his second delightful abomination (we mean that in a good way) upon the world under the title **ZOMBIE A-HOLE**. An "exploitation flick with a southern gothic flair" **Zombie A-Hole** is looking to shock and offend, all while offering up ample doses of *Evil Dead*-style mayhem and – oh yes – more puppets.

### OFFICIAL SYNOPSIS:

Zombie A-Hole takes place in a world that's a bit different from our own. A realm that teeters on the edge of sleaze and comic book stylized awesomeness.

This is the story of a religious cowboy, a lost soul, a beautiful grease monkey, and a sexy nurse with no name fixing to exact bloody vengeance on the same son-of-a-bitch. He's a low-down, dirty, disgusting, depraved, sadistic, psychotic, hell bent, grade F, **Zombie A-Hole** and he ain't gonna know what hit him!
