Tokyo Playboy Club (MVD Visual)

By [Upchuck Undergrind](#)
 – January 10, 2013 Posted in: [Reviews](#)

Sometimes running away only gets you into deeper trouble. I'm not suggesting that as a tagline for this movie or anything, but, you know ... Seriously, though, this critically acclaimed film, held up by some for comparison with Takashi Miike's work ("13 Assassins", "Ichi The Killer"), features the lead character Katsutoshi – played by Nao Omori, another Miike connection with Nao Omori's appearance in "Ichi The Killer". Said lead gets himself in deep shit and then promptly falls into even deeper shit. Setting-wise, the story revolves around the title's Tokyo Playboy Club, where Katsutoshi goes to lay low after his first landing in shit. But the Tokyo Playboy Club is the kind of happenin' place where shit happens so Katsutoshi soon finds himself in much deeper than he'd ever thought possible. Weirdness rears its head. TOKYO PLAYBOY CLUB is a grimly funny crime story for fans of J cinema.
