dUg Pinnick has released a video for his solo track *That Great Big Thing*. View it below.

It's taken from the King's X frontman's sixth solo album, *Naked*, released this week via RockArmy Records.

Fans recently launched a fundraising campaign to pay for a hernia operation which Pinnick, who doesn't have health insurance, can't afford himself. Organisers of the Let's Give Back To dUg fund said: "He's not only one of rock's greatest musicians of all time – he is also the kindest soul, who takes his time to talk to

everyone he encounters. He has been labeled the 'sweetest guy in the industry.' He goes out of his way for everyone, so we felt it was time to rally up and give back." [Find out more.](#)
