Hot on the heels of his [new trio's debut album](#), bassist and King's X frontman **dUg Pinnick** is stepping out on his own again a solo effort entitled [Naked](#) on RockArmy Records.

The deeply personal album is nothing but Pinnick, who wrote, played, recorded, and produced the entire album in his Los Angeles home studio.

Naked is packed with 11 tracks of the bassist's signature tone and vocals, including the "What You Gonna Do," which he released on YouTube late last year.

Pinnick posted a video of snippets from the album:
