The Vibrators: Greatest Punk Hits

Publisher: O-RAMA

The Vibrators: Greatest Punk Hits is an MVD Audio compilation featuring an assortment of album tracks released by the UK group The Vibrators. This London-based band formed in 1976 and were active into the 80's underground.

The Vibrators: Greatest Punk Hits has 12 tracks off the 1991 Greenhouse Studio Sessions, plus five more off albums released in the 90's and 2000's.

Their more commercial material, including "Baby, Baby" and "Automatic Lover" which charted in the UK, are part of the Greenhouse Studio Session recordings, and are NOT the original album versions -- a minor letdown for rock purists; but on the bright side, these takes are louder and clearer as opposed to the echoed side of the originals.

If you are strictly a Vibrators' fan, again, this compilation would benefit the collector in you to have the Greenhouse recordings, along with the originals you would probably have in your possession.
