"Please, we need ambulance now!"

To what extent writer-director James Nguyen is "in" on the joke about his pair of Hitchcock direct lifts/"homages" remains to be seen. When I spoke to him two years ago at my other home, Twitch, he was prepping for "Birdemic 2: The Resurrection," the software salesman turned self-taught filmmaker was just happy that his first film, "Birdemic: Shock and Terror" was getting a nationwide release.

The heart of a good movie--whether it's a \$10,000 Birdemic or \$100 million Hollywood-style--it's good casting. You got to have good casting. So I spent a lot of time casting and one of the reasons Birdemic became a hit movie is because of good casting. And despite all the imperfections, good casting, good story--a very seriously-felt story about man and his machines and all the harm it's doing planet Earth. The movie became a hit, you know?

And while his ambitions to shoot "Birdemic 2" in 3D don't seem to have panned out (along with any discernible improvement in his filmmaking), the microbudget "romantic thriller"
