The iconic film ***Style Wars***, which goes in deep about the graffiti, street culture, and hip-hop scenes of early 80s New York, gets a grand Blu-Ray release tomorrow (November 4) courtesy of MVD. The disc comes with some spankin' new bells and whistles, including a 40-minute bonus features reel, part of which is available here at Noisey for the first time! Check it out above and don't miss some of the additional features on b-boys and breaking. **Order yours today.**
