Dear PBS Auction and Sweepstakes Donor:

Thank you so much for your donation and support of the PBS National Auction and Sweepstakes Program. Your support is so important to continuing the great quality programming on local PBS stations and funding their community support.

Enclosed is your wrap up, showing the marketing support the PBS stations provided to your company as part of your donation. This year we've moved to an electronic wrap up format, with the majority of your evaluation and back up materials sent to you via email. Some items may also be sent to you by mail to complete this wrap up.

We hope you'll be renewing with the stations and have sent you the updated sponsorship materials and auction calendar.

Best Regards,
