**The True, Twisted Story of a Southern Punk Band.**

The Bible Belt and Punk Rock collide in the most controversial documentary of the year, chronicling two years in the life of Knoxville white trash punk band The Dirty Works. Centered on self-destructive frontman Christopher Scum, take a peek inside a seedy underworld where mental illness, addiction, violence and family dysfunction fuel creative vision. One part GG Allin's *Hated*, one part *The Story of Anvil*.
