## Eighties Rockers Unite for Zeppelin Tribute CD

On September 18, Quiet Riot drummer Frankie Banali & Friends will release *24/7/365: The Tribute to Led Zeppelin* (RSM Records), a 12-song homage to the legendary rock band.

This release finds Banali along with bassist Tony Franklin working with a rotating cast of vocalists and guitarists.

According to Frankie, "The album is dedicated with love and respect to the memory of [*Zeppelin drummer*] John Henry Bonham, and it has truly been a labor of love."

*24/7/365: The Tribute to Led Zeppelin* is produced by Banali and recorded and mixed by Grammy

Award-winning engineer Neil Citron.
