

Oblivion Sun – *Oblivion Sun* (MVD Audio) :: Finally, a band that knows how to forge Moog-fueled prog-rock just like the masters used to melt. Shades of Phil Manzanera's similarly-titled *Quiet Sun* collide with fragments from Stomu Yamashta's *Go* with a bit of early Genesis and ethereal Jade Warrior thrown in for good groovy Mahavishnu measure — and it's about time, it's about space.
