

REVIEW SCALE

- 5** – The album is excellent, it could also be considered perfect or near perfect. There may be a few glitches or setbacks, but they are not detrimental.
- 4** – The album is very good. There aren't too many glitches or setbacks but the ones that are present keep the album from being excellent.
- 3** – The album is mediocre. While the album is alright, there isn't anything that makes it stand out above other albums. Some of it is good, and some of it needs work.
- 2** – The album is bad. Many things have gone wrong, and unless it happens to be within your personal favorite genre, chances are it's not even worth your time. The band has a lot to work on.
- 1** – The album is terrible. The album isn't worth your time, no exceptions.

Note: Be aware that in November 2004 the grading scale was revised to how it is shown above in order to maintain more consistencies between our reviewers. Many of the reviews in our Archive may include ½ marks and ¼ marks and please be aware that the ratings at that time were also more open to our reviewers' interpretations of the rating scale, as opposed to this now absolute grading scale which our reviewers are responsible to follow in their rating procedures.

REVIEWS

Terror - CBGB OMFUG Masters: Live June 10, 2004, The Bowery Collection - added - March 23rd, 2008

Reviewer: **Ruben Mosqueda**

4/5

Terror is the West Coast's answer to Agnostic Front and Cromags, and they have released a set jammed-packed full of angst and fury, recorded at the legendary CBGB's. Unless you have been hit in the head and have had your memory banks swiped clean, you know what CBGB's was, what it meant to music, and that it has since closed down. This recording was captured at the height of Terror's creative peak. Terror blows the roof off CBGB's with a 30-minute energetic set that leaves the listener spent. The recording is untouched and direct from the soundboard; it's like you were there on the night of June 10th, 2004. *CBGB OMFUG Masters: Live June 10, 2004, The Bowery Collection* is a raw and in your face hardcore experience as it should be.
